Top Companies Visiting Our Campus

Words from T&P Officer

The Training and Placement Cell, GNDEC apart from giving an outstanding placement record provides the platform for students to gain most from the personality development and marketing experience program. We focus on not just creating engineers but pioneers and leaders for the future development of our nation. The Training & Placement Cell looks after the interests of the students and the recruiting organizations by acting as a channel of communication between them.

About T&P

" The goal of Training & Placement Cell is to provide students with a platform for using their potential to gain valuable experience by working in industry. "

It also acts as the interface between various companies seeking talented young graduates and post graduates in various disciplines. The Cell is well equipped with ample infrastructure in Terms of Testing halls, Consultancy Hall, Conference room, for Pre Placement Talk, Presentations etc and Computer labs for online tests also the cell has video conference facility available for the students.

Core Details

Training

The cell arranges training for students in industries for 6 weeks at the end of 4th Semester and for 6 months in 7th or 8th Semester. All the Engineering Department students undergo minimum 12 weeks for industrial training and minimum 6 weeks for software training for this 6 months of training.

Placements

All the reputed organizations including MNCs come to the College for campus recruitment. To achieve its goal, the Training & Placement Cell works towards recognizing the core competencies of students.

Additional Activities

In addition to the above-mentioned activities, the cell arranges expert lectures of Corporate Managers in both Technical and HRD streams for the students and faculty of the Institute. There are various Workshops and Seminars organised for the benefit of students regarding the latest trend and technology in the industry.

Words from T&P Officer

The Training and Placement Cell, GNDEC apart from giving an outstanding placement record provides the platform for students to gain most from the personality development and marketing experience program. We focus on not just creating engineers but pioneers and leaders for the future development of our nation. The Training & Placement Cell looks after the interests of the students and the recruiting organizations by acting as a channel of communication between them.

Training & Placement Officer

How T&P Cell Works?

01

Database Formation

Collects the record of students of particular year and forms database that MNCs demand as a record from the institution.

02

Finding Contacts

Fetches contacts of Human Resource Managers of different Companies to get information regarding job offering for students by their organisations.

03

Getting Confirmations

Training and Placement cell gets confirmation from HRs for conducting placement drive on particular dates as per directed and arranging hospitality services and venue.

04

Placement Drives

Smoothly conducts placement drive for the students by different MNCs.
